

**August 26 - 28, 2022**

**[www.galvestonesports.com](http://www.galvestonesports.com)**

The 3rd Annual Galveston Island Esports Summit will take place August 26 -28, 2022, at the Galveston Island Convention Center at the San Luis Resort, 5600 Seawall Boulevard.

The Galveston Esports Summit is not an ordinary event – it's exciting, inspiring, educational, and an experience that offers the opportunity to look, learn and participate in the fastest growing entertainment industry in the world.

Visitors take the opportunity to observe and participate in Esports Tournaments, connect one on one with technology professionals and businesses, view exhibits, participate in panel presentations, and experience hands-on activities including virtual reality, play new games, and network with like minds. 2021 highlights included the Army Esports Team from Knoxville, TN, and work-outs with the US Marine Corps, Esports Professionals who mentored and participated in panel discussions that were live streamed nation- wide, educational workshops for teachers presented by the Texas Scholastics Esports Federation, and a large-scale NASA exhibit that included the Mars Rover and a walk thru interactive display.

With the continued support of the Galveston Island Convention & Visitors Bureau/Park Board of Trustees and the United State Army, we anticipate more than 5,000 visitors will attend the 3-day event. We are committed to presenting a quality and entertaining experience for enthusiasts of all ages. Event passes go on sale April 1 and we would like to include your company in our initial marketing outreach.

Your participation is a sound investment and promises to deliver your marketing objectives. Custom sponsorship and vendor space are available by meeting with the event team. Please consider supporting our efforts to present this special event.

Please review vendor and/or sponsor opportunities online at [www.galvestonesports.com](http://www.galvestonesports.com) and let's discuss your participation. Call us today.

Thank you for your consideration. We look forward to meeting you.
