

**FOR IMMEDIATE RELEASE****GameFocal Studios to Feature RivenWorld: The First Era at the Esports Galveston Summit 2023**

HOUSTON, Texas – July 19, 2023 – Houston-based GameFocal Studios, the visionary developers behind the early access hit "RivenWorld: The First Era", is excited to announce its participation in the upcoming Galveston Esports Summit. Located just south of our headquarters, the summit will take place from August 25th through August 27th, 2023, at the Galveston Island Convention Center.

GameFocal Studios has proudly called Houston home since its inception and is thrilled to see such a significant gaming event take place in our backyard. This participation serves as a testament to our commitment to the local gaming community and our desire to help propel Houston into the forefront as a hub for innovative game development.

"Our team couldn't be more excited to engage with gamers and industry professionals at the Galveston Esports Summit," said a spokesperson from GameFocal Studios. "As a Houston-based company, it's inspiring to see an event of this magnitude taking place right here in our local community. We believe 'RivenWorld: The First Era' showcases the potential Houston holds as a cornerstone for groundbreaking game development."

Launched in early access on Steam on April 14, 2023, "RivenWorld: The First Era" is a dynamic, sandbox survival game that thrives on community feedback. Attendees at the Galveston Esports Summit can explore the ever-evolving world of "RivenWorld: The First Era" at the GameFocal Studios booth and in the PC Arcade at the convention.

GameFocal Studios is eager to invite all attendees to engage with us, share their feedback, and help shape the development of "RivenWorld: The First Era". Join us as we continue to demonstrate Houston's potential as an innovative hub for game development.
